

**UNIVERSITY GRANTS COMMISSION  
COMPLETED INSTITUTIONAL RESEARCH UNDER SHEP**

S.N	Code	Institution	Research Topics	Name of Team Leader
<b>Phase I (065/066)</b>				
1	IR-065/066-01	Kantipur Engineering College	Investigation on radio frequency (RF) radiation from mobile base stations (BSs) and its health hazard to general public	Subash KC
2	IR-065/066-02	NIHS, Boudha	Study on health status of Dhulikhel township: Tracing changes in twenty years	Yogendra Pd. Pradhananga
3	IR-065/066-03	CBEAS	Effect of light therapy in the treatment of Rheumatoid Arthritis	Dr. Uma Shrivastava
4	IR-065/066-04	Central Dept. of Nepal Bhasha, TU	A social linguistic Survey of Nepal Bhasa Dialects	Dr. Sundar K Joshi
5	IR-065/066-05	Amrit Science Campus	Status of degrading and disappearing lakes of Lekhnath Municipality, Kaski, Nepal	Roshani Manandhar
6	IR-065/066-06	School of Arts, KU	Study on the opportunities for water resources development through Social Accounting System in Durlung Watershed, Kavre, Nepal	Sabita Aryal
7	IR-065/066-07	School of Engineering, KU	Trust issues in e-governance: An ethnographic investigation of the Nepalese context	Sanat K. Bista
8	IR-065/066-08	School of Med. Science, KU	The impact, opportunities and challenges of the community based learning (CBL) programs of Nepalese medical colleges in the development of primary health care sector of Nepal	Biraj Man Karmacharya (Dr. Rajendra Prasad Koju)
9	IR-065/066-9	Faculty of Humanities & SS, PokU	Poverty Dynamics in Rural Nepal: Vicious and Virtuous Cycles of Poverty in Western Development Region.	Prof. Dr. Indra Pd. Tiwari (Arjun Kumar Thapa)
10	IR-065/066-10	School of Edu, KU	Reform in university system in the changing context	Prof. Dr. Tanka Nath Sharma
11	IR-065/066-12	Kadambari Memorial College	Strengthening governance in Nepal: Opportunities and challenges	Bala Raju Nikku
12	IR-065/066-13	Golden Gate Intl. College	The study of possibilities of tie-up between higher education institutions and industry in Nepal	Bal Krishna Upadhyay
13	IR-065/066-14	Ktm. Forestry College	Contribution of selected NTFPs on poverty reduction in the mid western development region of Nepal (A case study of high altitude, hill and terai NTFPs from Rolpa, Pyuthan and Dang districts)	Bishnu Hari Pandit
14	IR-065/066-16	School of Edu, KU	Corporate social responsibility in business sector in Nepal: Contributions to building education and training opportunities in the country	Dr. Mahesh Nath Parajuli
<b>Phase II (067/068)</b>				

1	IR-067/068-01	Institute of Agriculture & Animal Science, Rampur Chitwan	Baseline study of Rampur Ghole at IAAS, Chitwan	Dr. Dharma Raj Dangol
2	IR-067/068-02	Central Dept. of Education, TU, Kirtipur (Geography)	Geography education in Nepal : Status, Issues and Challenges	Dr.Damodar Jnawali
3	IR-067/068-03	Central Dept. of Geography, TU, Kirtipur	Changes in river morphology due to Inter- basin transfer of river flow and its consequences: A case study of Kulekhani Basin in the middle Hills of Nepal	Dr.Narendra Raj Khanal
4	IR-067/068-04	Padma Kanya Campus, TU (Central Dept. of Population)	Deprivation and migration in mid hill	Mr. Madan Gopal Shrestha
5	IR-067/068-05	Institute of Engineering, TU, Pulchowk Campus, Pulchowk (Dept. of Electronics & Computer Engineering)	IT- based drinking water supply flow monitoring and leak detection	Dr.Nanda Bikram Adhikari
6	IR-067/068-06	School of Engineering, Kathmandu University (Dept. of Computer Science & Engineering)	Opinion mining and argumentation analysis in newspaper editorials	Mr. Bal Krishna Bal
8	IR-067/068-08	School of Health & Allied Sciences, Pokhara University	Choices, shifts and continuation of temporary contraceptive methods among women of reproductive age in Western Development Region , Nepal	Dr. Keshab Parajuli
9	IR-067/068-09	Central Dept. of Botany, TU, Kirtipur	Species richness pattern and plant resources management in Manaslu Conservation Area, Central Nepal	Dr. Krishna Kumar Shrestha
10	IR-067/068-11	Central Dept. of Physics, TU, Kirtipur	Assessing wind electricity potential in and around the Kathmandu Valley	Dr. Ram Prasad Regmi
<b>Phase III (068/069)</b>				
1	IR-068/069-01	Central Department of Management, TU	Corporate Social Responsibility in Nepal	Prof. Dr. Pushkar Bajracharya
2	IR-068/069-02	CNAS	Historical, Cultural and Linguistic Study of Dolakha	Dilli Raj Sharma
3	IR-068/069-03	Prithvi Narayan Campus, Pokhara	Determinants of Intimate Partner Violence Against Women : A Study in Western Hill, Nepal	Dr. Lekh Nath Bhattarai
4	IR-068/069-04	Central Department of Sociology and Anthropology, TU	The Changing Dynamics of Inter- Caste Relations in Nepal : A Grounded Sociological Study of Caste as it manifests Every Day	Dr. Youba Raj Luintel
5	IR-068/069-05	Institute of Medicine, Nursing Campus, Maharajgunj	Effectiveness of Training Program in Increasing the Capacity of Nursing Teachers in Teaching HIV/AIDS Prevention	Dr. Sarala Shrestha

6	IR-068/069-06	Department Biochemistry, IOM, Maharajgunj Medical Campus	Comparison of Vitamin D Status in Diabetic and Non-diabetic Individuals	Dr. Bharat Jha
7	IR-068/069-07	RTCU, Dept. of Electrical Engineering , IOE, Pulchowk Campus	Improved Electronic Load Controller for Three Phase Isolated Micro-hydro Generator	Prof. Dr. Indraman Tamrakar
8	IR-068/069-08	CERID	Improving Student's English Learning at B.Ed Level Through Teacher's Professional Development : An Action Research	Dr. Binod Luitel
9	IR-068/069-09	Department Of Physics, Amrit Campus	Fabrication of Dye Sensitized Solar Cell Using ZnO Nano Wire	Leela Pradhan Joshi
10	IR-068/069-10	RECAST, TU	Fabrication & Testing of Biomass Gasification for Rural Electrification	Dr. Krishna Raj Shrestha
11	IR-068/069-11	Department of Biotechnology, School of Sciences, KU	Establishment of Regenerative Callus, Cell Suspension System, hairy Root Lines and Molecular Characterization of <i>Stevia</i>	Dr. Dhruva Prasad Gauchan
12	IR-068/069-12	Dept. of Physics, Patan Multiple Campus	Fabrication of Flexible Transparent Conducting Film Using Single Wall Carbon	Dr. Shankar Prasad Shrestha
13	IR-068/069-13	Dept. of Environmental Science and Engineering, School of Science, KU	Study the Pesticides Pollution in the Stream of Agricultural Intensive Watershed of Mid-Hills of Nepal	Dr. Bed Mani Dahal
14	IR-068/069-14	Dept. of Pharmacology, IAAS, Rampur	Pharmacological Studies on Chemical Anthelmintic Resistance and Anti-parasitic Activity of Locally Available Medicinal Plants in Goat	Dr. Sharada Thapaliya
