Grants Releases

Iniversity Grants Commission has recently made the decision to disburse grants to the community campuses to develop physical facilities, strengthen libraries and to purchase books and equipments. The grant accounts for the fiscal year 2072/73. The total amount of the grants amounted to Rs.12 corers. A total of one hundred thirty one campuses have been selected for the grants in this fiscal year.

The grants under these programs are provided to enhance the capability and infrastructure of community campuses in every fiscal year so as to enable them to impart quality education. The grants are provided to expand physical facilities such as classrooms and library rooms. The Commission also provides grants to community campuses to purchase books to enrich their libraries. Under the scheme, campuses receive fund to purchase computers to help them efficiently execute administrative and academic activities through a systematic

use of information technology. To receive this support, the campuses must apply within the stipulated deadline; the grant received under this category must only be used for purchasing computers.

The grant receiving campuses are selected on the basis of a submitted proposal, number of faculty, number of students, location of the campus and the student passing rate. However, for a campus to receive grants for the construction of a building, it must have enrolled at least 75 students.

Regular Grants

As part of regular grants, UGC provides fund to affiliated community campuses every year to help them deliver quality education. To that effect, the Commission has recently decided to provide regular grants to 457 campuses with the total amount of Rs. 266,535,346 for the fiscal year 2072/73.

Grants...

The grants have been provided as per the Regular Programs Guidelines 2072 approved by the Commission. The regular grants are provided to the campuses that have completed at least one academic year offering Bachelor's or Master's level of programs. The community campuses are provided regular grants based on pre-determined indicators with justifiable documents submitted to the Commission. The regular grants amount varies based on academic programs, levels of courses offered, number of students enrolled, whether science and technical programs are offered and whether the campuses are located in remote hilly areas. In order to qualify for the grants, campuses must submit required information/ data, an audit report, statute, annual report and other supplementary documents within the stipulated time.

PRT Visits

The Commission has recently completed the Peer Review Team (PRT) visits of three higher education institutions viz Global College of Management, Baneshwor, Kathmandu; Madhabindu Multiple Campus, Kawasoti, Nawalparasi; and Rupandehi Campus, Bahirahawa, Rupandehi. All three colleges are affiliated to Tribhuvan University.

A six member team coordinated by Prof. Upendra Pradhananga including Prof. Dr. Suniti Shrestha Hada, TU, Dr. Anu K. Singh, Foreign Expert from India, Dr. Deepak Kumar Khadka, Research Director, UGC, Dr. Shyam Prasad Lohani, QAA Director, UGC carried out a PRT visit to Global College of Management from 13th - 17th July 2016.

Another Peer Review Team coordinated by Prof. Dr. Jai Raj Awasthi, Former Vice Chancellor of Far Western University, visited Madhabindu Multiple Campus from 20 to 24 July, 2016. The team consisted of Prof. Chandra Lal Shrestha, Prof. Indu Acharya, Dr. Shyam Lohani, Mr.

Narayan Bhandari, and Prof. Ganesh Kawadia, a foreign expert from India.

Likewise, another team led by Prof. Mahendra Singh, Former UGC Member, carried out the PRT visit of Rupandehi Campus from 28 July to 1 August, 2016. The team included Prof. Suniti Hada Shrestha, Prof. Tirtha Raj Parajuli and Prof. Mangit Sen Gupta, a foreign expert from India.

The teams assessed the QAA status based on Self Study Report (SSR) submitted by the respective campuses and set criteria of QAA. The teams carried out the study by observing and inspecting the patterns of evidence to validate the SSR. They also organized the intensive interaction programs with the concerned people in the respective campuses.

After the visits, PRTs have already submitted their reports to the Quality Assurance and Accreditation Committee (QAAC) for review and decision. PRTs have also offered some suggestions to the campuses for further improvement of QAA status. QAAC will review the PRT report and recommend to UGC for the accreditation status.

Task Force for the Study of Deemed University

Task force formed for the Astudy of Deemed University has recently submitted its report to the University Grants Commission. Prof. Mahendra Singh, Coordinator of the team and former Member of UGC, handed over the report to UGC Chairman Prof. Dr. Parashar Prasad Koirala amid a program organized at the Commission's office Sanothimi, Bhaktapur. Dr. Hari Lamsal, Joint Secretary, Ministry of Education; Prof. Dr. Tulasi Pathak, Tribhuvan University (TU); Prof. Dr. Ridish Kumar Pokharel, TU; Prof. Dr. Uttam Karmacharaya and Mr. Ramesh Prasad Adhikari, Administrative Officer, UGC were in the team.

The team has carried out the detailed study on the existing situation of deemed universities in Nepal and explored the opportunities for establishing new deemed universities. The team has recommended the set criteria and bases as well as some basic procedures for establishing deemed universities. The team has also proposed the draft bill of deemed university along with the report.

Moreover, the task force carried out the feasibility study of the proposed Sagarmatha University, planned to be established as a deemed

university at the existing Little Angles School/College in Hattiban, Kathmandu. The team has prepared the report on the basis of field study, consultation meetings and literature review. The report concludes that the proposed deemed university should be established after the endorsement of proposed Umbrella Act incorporating the provisions for Deemed University and after the basic conditions suggested in the report are met.

Chairman Attends...

SAU is an international university established by the eight member States of SAARC-Afghanistan, Bangladesh, Bhutan, India, Maldives, Nepal, Pakistan and Sri Lanka. The university offers post-graduate and doctoral programmes in various disciplines, including Development Economics, Computer Science, Biotechnology, Mathematics, Sociology, International Relations and Law.

Open University Bill Endorsed

The Parliament endorsed the Nepal Open University Bill, 2015 on 30th June 2016. After the approval by the Parliamentary Committee on Woman, Children, Senior Citizens and Social Welfare, the bill was tabled in Parliament on 1st June 2016. With the endorsement of bill, those who are unable to attend regular classes in a college will have access to higher education.

A team formed by the University Grants Commission for the preparation of establishing Open University in Nepal had submitted its report to the Commission on May 2008. The team lead by Prof. Dr. Vinod Kumar Shrestha, then Member Secretary of UGC, had highly recommended that an open university should immediately be established.

Review Meeting of the Commission

University Grants Commission organized one-day workshop program to review and plan annual programs of the Commission on 9th July 2016 in Dhulikhel, Kavre. The program was designed to present the progress reports of FY 2072/73 and to devise plans and programs for 2073/74 as well as to discuss the strategic planning of the Commission.

In the program Prof. Dr. Parashar Prasad Koirala, Chairman of UGC, expressed his happiness over some remarkable achievements made for the development of higher education sector and insisted on making the effective plans and programs for the next fiscal year. Prof. Koirala further underscored the need for coordination and cooperation between the divisions/sections and staff for the successful implementation of programs to fulfill the mission of improving the quality of higher education in the country. He encouraged all the staff to work as a team to effectively perform the assigned duty, roles responsibilities.

Prof. Dr. Pushkar Bajracharya, expert in the program, highlighted upon the concepts and international trends of developing organizational strategic planning in view with the present practices in Nepali higher educational institutions. As the Commission is working on developing its strategic planning, Prof. Bajracharya, in his presentation, proposed a framework/outline of strategic planning of the Commission.

Prof. Dr. Hirdaya Ratna Bajracharya, UGC, while highlighting on the fundamentals of developing strategic planning, insisted on following Higher Education Policy, 2072, as a major guideline to prepare strategic planning.

Chief Administrative Officer Mr. Subas Chandra Dhungel presented an overview of the program objectives in his keynote on administrative aspects of the Commission. Dr. Deepak K. Khadka, Director, Research Division, Mr. Kedar Prasad Acharya, Head, Finance Division, Mr. Dipesh Singh, Planning and Monitoring Officer, Higher Education Reform Program (HERP), Mr. Dul Raj Chimariya, Monitoring and Evaluation Officer, Mr. Binod Bhattarai, Planning and Program Officer and Mr. Sagar Neupane, QAA Officer also presented their on the progress and plans of the respective areas.

RMC Feasibility Study Visit

The Research Division of the Commission recently made feasibility study visits to institutions which had applied for the grants for Research Management Cell (RMC) for the year 2016. A team consisting of the Director of the Research Division, Dr. Deepak Kumar Khadka, and the Senior Administrative Assistance, Mr. Sitaram Bhattarai, made study visits to Gauradaha Multiple Campus, Gauradaha, Jhapa, on July 4, 2016 and Mahendra Ratna Multiple Campus, Ilam, on July 6, 2016. Similarly, a team consisting of the Program Officer of the Research Division, Mr. Dinesh Prajapati and the Program Officer of the Division of Planning and Monitoring, Mr. Binod Bhattarai, made the feasibility study visits to Birendra Multiple Campus, Bharatpur, Chitwan, on July 5, 2016 and Jana Bhawana Campus, Pyangaun, Lalitpur, on July 11, 2016.

All four campuses were awarded the grants for establishing RMC. The award was announced on August 4, 2016 and an agreement between the Commission and the awarded institutions were signed on August 15, 2016. Birendra Multiple Campus and Jana Bhawana Campus were awarded Rs. 10,00,000 each and Gauradaha Multiple Campus was awarded Rs. 5,00,000 to establish new RMC. Mahendra Ratna Multiple Campus was awarded Rs. 2,00,000 to strengthen the Research Unit established in 2069 BS with help of the UGC grant for RMC.

The UGC grants for establishing RMC in campuses as a research management infrastructure to promote and support research activities was introduced during the Second Higher Education Project (2007-2014). Higher Education Reform Project (2014-2020) has programs to provide financial support to establish new RMC as well as to strengthen the existing RMC. The RMC is now envisioned as a management umbrella under which are institutional research fund and regulatory structures including Research Committee, Institutional Review Committee, Ethics Committee, Hazard and Safety Committee etc. as per the need of research activities in the institution.

Feasibility Study on Establishing Technical Institutions

Astudy Team, led by Prof. Dr. Kailash Nath Pyakuryal, Former Vice Chancellor of Agriculture and Forestry University (AFU), has recently submitted its report on the feasibility of establishing technical constituent campuses in Mid Western and Far Western regions to the Commission. Prof. Dr. Shyam Mani Adhikari, Nepal Sanskrit University, Dr. Bal Ram Bhatta, AFU and Mr. Devendra Rawal, Information and Communication Officer, UGC were the team members.

The study has identified the possibility of establishing technical campuses in four districts of Mid

Western and Far Western regions; Ayurved Camus in Narayan Municipality, Dailkeh; Agriculture Campus in Bardiya; Agriculture and Animal Sciences Campus in Tikapur, Kailali and Forestry Campus in Amargadhi, Dadeldhura. The report has recommended that the constituent technical campuses should be established in the proposed districts after conducting a detailed study on available local resources, physical infrastructures, and accessibility for the students of the region and their need for the program. The study team has made the field visits and organized the interaction programs with stakeholders.

Prof. Dr. Upendra Koirala, Vice Chancellor, Mid Western University, participated in the interaction programs held in Gulariya, Bardiya and Tikapur, Kailali. Prof. Bhushan Shrestha, Vice Chancellor, Far Western University, also participated in the programs held in Tikapur, Kailali and Amargadhi, Dadeldhura. Both VCs insisted on the need of technical constituent campuses in Mid Western and Far Western regions.

The Commission has been focusing on establishing technical constituent campuses in Far Western and Mid Western regions as these regions lack technical colleges.

Results of Fellowships and Grants

The Commission has recently published the results of different fellowships and grants under the quality improvement programs for the fiscal year 2072/73.
